### New DNS Email Address & E-transfers:

DNS’s new email address is [connect@dnsrelief.org](mailto:connect@dnsrelief.org). Lord willing, you will receive the next “Nudgings” from that address. Also, e-transfers can now be sent to [donations@dnsrelief.org](mailto:donations@dnsrelief.org). When sending an e-transfer, **please put your email and/or mailing address in the “message” section** so we can send you a charitable donation receipt. If the donation is in US dollars, please let us know.

### ZAMBIA: Audio Devices

200 more of these Lunda Audio Devices (solar powered) are on a container headed to Zambia. They contain the New Testament in Lunda and “God’s Story” which tells the story of Creation to Christ. Please pray for their safe arrival and receptive hearts to the message they contain. ***“How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher?”***  
***Romans 10:14***

### INDIA:

We continue to support the building of Assemblies in India as well as digging wells, which opens many doors for the Gospel. Below is a photo of a building currently under construction after delays during covid. Bible Training classes have also begun at one of the finished facilities that DNS donations helped to build. Here is a testimony shared about one of the students being baptized.

“The Lord has spoken to one of the young men attending the Bible training class. He is the son of the 1st family who came to the Lord and faith from (*this village*). This son was convinced by the Lord during the Bible class that he must obey the Lord in Baptism. As the process was initiated, God added 4 more members from (*an assembly*) and on April 30th, God used our brethren to glorify our Lord and His great commission, thus establishing the local assembly. Please pray for their spiritual standing and growth.”

## PERU:

A brother in Peru is working in the mountains doing evangelism and encouraging believers. We recently sent money to help with some building projects:

**Ricardo Palma** - The church facility is in ruins and believers are discouraged.

**Solterito** - A growing assembly, but very small facility. They have asked our brother to help expand the facility.

**Menocucho** - The old church building was demolished and phase 1 of the new building has been completed - monies from DNS were previously sent for this. Now phase 2 is to finish the 2nd floor, Sunday School class & kitchen.
